Swiss Tradition

Sola Switzerland AG has been creating and producing the finest and most elegant cutlery since 1866. For five generations, our cutlery has been created with Swiss precision and craftsmanship and the immense know-how, professionalism and service spirit of the founders has never ceased to be the prime quality of our dealings. Thanks to the passion for our products, the will to overcome obstacles and the use of the latest technologies, Sola Switzerland AG has become the largest Swiss cutlery manufacturer and is gaining worldwide market shares every year.

The constant development of new designs and products enjoy immense popularity in HoReCa and retail channels. The basis to our success is based on the perfect quality control from raw material selection to the packing process. This allows us to offer the best possible products at an incomparable price.

Your success will finally be ours!
